## Social Studies - 1

Charlotte told Wilbur that there were many different kinds of spiders.

Use the resources available to you to research this.

Present your findings in a chart to show the various types, their appearance, habitat, food, etc.

## Social Studies - 2

You may use any book or encyclopedia to help you with this activity.

On a plain sheet of paper draw a detailed diagram of a spider.

Label the various parts of a spider.

Label the seven sections of a spiders leg.
