Folk Tales, Myths and Poetry

Many countries have folk tales, myths and poetry that tell about their history and culture.

Read some of these and complete three of the following activities:

- 1. Write the story in your own words.**
- 2. Illustrate the story or poem.**
- 3. Write an outline for a dramatization of the story.**
- 4. Work with some friends to dramatize the story, then perform for your classmates**
- 5. Rewrite the story as if one of the characters were the narrator.**
- 6. Choose eight main events to summarize the story, then draw an eight frame cartoon strip to tell the story.**
- 7. Choose a folk tale or myth and retell the story in the form of a ballad or narrative poem.**
- 8. Write a folk tale or myth to explain something that you have learned about this country.
Illustrate your folk tale.**
